

# SECURITY CONSULTANT/ EXPERT WITNESS

A unique opportunity exists to develop a long-term relationship within a well established and successful consultancy team engaged in the provision of security related expert witness services. We seek a self employed security professional who is keen to develop expert witness skills in the security related personal injury sector.

This role would suit an already self-employed security professional with experience in the retail and financial sectors, and ideally CIT and/or the betting industry. The individual must possess an in depth knowledge of retail security, both physical and electronic, manned security and ideally the application of Health and Safety and relevant security directives

This appointment would serve as an adjunct to someone who is already financially independent with own revenue stream and strong business acumen. Any existing business must not compromise the independence of the expertise to be provided.

The appointee will be supported by a strong team with proven capability in this field and one to one guidance and training is assured. A fully functioning office facility is available.

Interested? Please phone 01258 458261 for further details or forward a CV and handwritten letter demonstrating your suitability to PO Box 4999, Blandford Forum, DT11 9WB by 31 March 2015.
